Thank you for being a member! US Sailing members enjoy exclusive access to great rewards. Login to your [member portal](#) for unique discount codes.

US Sailing is now offering a new digital membership card experience for all members. A link to your new digital member card will be emailed to you and can be added to Google Play or Apple Wallet on your mobile device. If you need a copy of your membership card immediately you can visit [My US Sailing](#) to view and print off a temporary membership card. While at My US Sailing, you can also update your contact information, view the status of your membership, view results from events you have sailed in, and more.
