

Course Cancellation Policy

Prior to the course filling to capacity, you will be able to cancel your registration for a nominal fee; credit card fees (if applicable) plus \$20.00 for processing.

Once the course is filled, if someone from the waiting list can step in and fill the slot, the fees will remain as described above. If not, there will be a 20% cancellation fee applied.

If you cancel 15 days or less prior to the course, the cancellation fee increases to 50%. Again, this is assuming that someone from the waiting list cannot step in to fill the slot.

In the event you have a personal emergency, you will always be allowed to defer your registration. There are additional courses being offered in SoCal where you could transfer your registration.
